• VINTAGE 2012 •

After three small and sometimes challenging vintages, we were relieved to enjoy the spectacular conditions in 2012. Warm, sunny days, cool nights and perfect conditions all year long left us very encouraged that we’d have some superb wines in barrel.

• OAKVILLE VINEYARDS •

Two exemplary Oakville sites – on opposite sides of the tiny appellation, frame our 2012 release. On the eastern side of the AVA, downslope from Harlan, we find the site of TEXTBOOK Merlot, abutting the verdant Mayacamas mountains. TEXTBOOK “Page-Turner” pulls its Cabernet Sauvignon portion from a very special site located on the extreme eastern side of the Oakville District AVA abutting the rugged and dry Vaca Mountain range. This sub-section of the Oakville AVA is renowned for superb, richly-textured Cabernet Sauvignon and Cabernet Franc. The terrain is characterized by steep hills which bask in warm, sunny afternoons offering an ideal growing environment. Soil profiles include gravelly alluvium (eroded off the nearby mountains) covered by shallow gravelly loam and in some places interspersed with large boulders. These sites are quite infertile and well-drained. Planted in the early 1980’s and 1990’s these two sites clonal material include heritage selections (likely from Beaulieu Block).

Exemplary sustainable farming practices are employed in these mature sites and after veraison we culled unevenly ripened bunches which reduced yield to less than 7 pounds per vine (@ 3.4 tons/acre), low for the Oakville District.

Regional Composition: 100% Oakville District Varietal Composition: 55% Merlot, 30% Cabernet Franc, 15% Cabernet Sauvignon

• FERMENTATION AND MATURATION •

TEXTBOOK clusters were field-sorted, hand-harvested, hand-sorted at the winery and de-stemmed and cold soaked for 5-8 days in open-top, temperature-controlled fermenters. Two daily punch-downs (depending on the lot) during fermentation kept the caps immersed and extracted superb flavor and structure. After twenty-one days (Merlot) and thirty days (both Cabernets) on their skins we gently pressed into barrels where the lots completed ML fermentation over the winter. Barrels were of the highest quality; 100% French, 45% new, three-year air-dried, medium-toast with toasted heads and handcrafted by Boutes, Francois Frères and Nadalié. The mélange of these three varietals added complexity, regal mouth-feel, softness and completed the classic “Bordeaux Right Bank” blend profile. Twenty-one months maturation in barrel with two rackings and one egg white fining integrated flavors and developed its wonderfully balanced, yet textured mouth-feel. We bottled only seven barrels.

Named by our youngest daughter, “Page-Turner” reflect the eagerness we feel each time we taste it. It beckons for another sip and we believe it is a “textbook” example of these noble varieties grown in this outstanding appellation.
